COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Budget Committee held a preliminary meeting Monday night to discuss the recommendations of the Selectmen and manager. There will be a final meeting next Monday night, at which time they will recommend the amount to be taken from surplus and how much must be raised by taxation.

An appropriation has been requested for Highway Equipment. This is necessary as a result of the purchase of the new truck this past year. A piece of equipment that requires as large an expenditure as this and has a life of 10 to 15 years cannot be paid for from the Equipment Account and have funds for routine trades. The truck is an essential part of our snow removal equipment, but one that is not used enough to pay for itself within the time we have to pay the notes issued for the purchase.

Richard Davis is confined to his home by illness.

SISTER OF REV. STEBBINS MASSACRED IN VIET NAM

"Viet Cong guerrillas broke in to the home of Rev. and Mrs. Ed Thompson at the Mercy Hospital for Lepers in Banmethout, Viet Nam last week and shot the unarmed missionaries to death. They tied booby traps to their bodies and left feeling pleased with themselves," said the Rev. George Stebbins of the Bethel Methodist Church, who is the brother of Mrs. Thomas. His sister, Ruth, was an "A" student in high school and college and played the violin beautifully. She was the perfect mother, and even while living overseas she kept her five children handsomely dressed and well-mannered. Two of her children, Judy and David, are in college. The other three are in Indonesia awaiting return to the United States where another sister, Harriette, will receive them into her home.

POINT TO PONDER

Gossipers would lose their attraction and power to harm, when people realize that they usually are jealous of those they malign. They get a vicious pleasure in talking about others' "misdeeds" (real or imagined), because they would secretly like to do the same things, but don't have the nerve. Or the opportunity. — "The Human Side," Today's Secretary.

DIRECTORS APPROVE FRINGE BENEFIT SCHEDULE AT MONDAY SESSION

The board of directors of SAD 44 approved extra duty and fringe benefit schedules at the regular meeting held at the R. C. Foster School in Newry, Monday evening. These benefits will take effect for the 1968-69 school year.

The fringe benefits for teachers will include: Blue Cross-Blue Shield-Major Medical — District payment to be made for a single subscription amounting to \$8.07 per month per teacher; Sick Leave—15 days per year, cumulative to a total of 90 days; Emergency Leave and Personal Leave none deductible from sick leave—including "death in the family" leave as stated in District policy. Granting of this leave will be left to the discretion of the teacher and administration. Administration policy to be spelled out. A teacher coming from another system will be credited with 15 days sick leave, if this number of days had been accumulated in his previous position.

The directors voted to award a contract to the Milton Bradley Co. for 26 36"x72" tables, plus 12 60"x30"x30"x30" trapezoidal tables for use in Telstar Regional High School at a total cost of \$1,314.18.

Harvey C. McGuire, a member of the board of directors, resigned from the board effective as of the next annual meeting of the town of Andover.

The following correction is noted in the budget released for publication last week under estimated expenditures: Instruction — \$589,240, should be \$588,249, making a total estimated expenditure of \$1,062,300, thus reducing the necessary appropriations from \$461,400 to \$460,400.

The corrected share of each town as required by statute:

Town	Share	Amount
Andover	19 %	\$ 87,476
Bethel	44 %	202,576
Greenwood	15.5 %	71,362
Newry	5 %	23,020
Woodstock	15.5 %	75,966
Total		\$460,400

ESTIMATED LOSS AT \$10,000 IN ANDOVER BLAZE LAST THURSDAY EVENING

Three engines were called out on Thursday, Feb. 1, at 6:30 p. m. for a fire in the maintenance garage at Andover Wood Products, Andover. Approximately \$10,000 was the estimated loss that was partially covered by insurance. The cause was believed to be in the heating system. The building had been vacated about one hour before the fire was discovered by a workman in the yard. Andover Fire Chief Roger Mills, Jr., reported that the trucks went back in the fire house but that four men stayed throughout the night. The building was located in back of the main plant.

The annual town reports have been received from the printers, and are being delivered. The warrant for the annual town meeting, which will be held at the Bear River Grange Hall, March 4, at 7 p. m., contains 38 articles, most of which are routine. One article asks for an appropriation for White Pine Blister Rust Control. The Maine State Forest service recommends that pine lands be inspected every ten years for blister rust. This should be done this summer. An appropriation of \$200, which will be matched by Federal and State Funds, will be necessary to do this job.

The suggested budget for other than school accounts is \$8,789.19 with \$750 recommended to be taken from surplus, leaving \$8,039.19 to be raised by taxation, compared to \$9,095.44 raised last year. However, the school budget is up \$4,020 from last year to a total of \$23,070, making total suggested appropriations of \$31,109.19, or a net increase of \$2,363.75. An increase of \$561.03 in excise tax collected in 1967 over 1966 will reduce this figure somewhat, but an increase of approximately 6 mills is expected in the tax rate at this time.

Recently the town of Bethel purchased the Bethel Water Company. This company owned considerable land in Newry and there has been some speculation that this land might now be tax exempt. However, the Selectmen have been informed that since this land is in another town, and not in Bethel, it would be taxable. Had this property been exempted from taxation it would have made a substantial increase in the tax rate.

To date there have been no announced candidates for town office, but it is anticipated that the present officers will continue to serve if elected. Three Select-

GREENWOOD CITY

Mrs. Colista Morgan, Corres.
Robert Frost wrote, "Every poem is a momentary stay against the confusion of the world." Also "When life is too much for me 'Me for the woods'."

Do just that and the words and understandable. I did one day not too long ago—to the foot of the mountains in Albany—Maine of course, though the woods, along the river and I was reminded of the poem—again from my scrapbook.

Lift up your eyes to the mountains,
Breathe deeply the crisp sweet air.

Listen to the murmuring waters
The spirit of peace is there.

From Vietnam January 24th—
"We are still here in these mountains—how different from ours, but it is getting to be a hot spot. Yesterday, we went to break up an ambush. Last night I was on ambush patrol and watched the fireworks as the VC attacked a strong hold about 20 miles away. They have been hitting here a lot in the last couple of weeks." He tells of the mine disaster, "A scene I'll never forget. — It makes one think a bit" also "I look forward to a return home and to my life and my mountains."

Several in the Hakala family have been ill this week.

Elmer Hayes was at the Stephens Hospital for tests one day this last week. He returns for a few days this coming week for treatment.

Mrs. Evangeline Keniston, Bryant Pond, substituted for Colista Morgan at school on Friday.

Mr. and Mrs. Roland Hayes and Elmer Hayes, were dinner guests on Sunday at Mr. and Mrs. Ardel Hayes in Auburn.

Ann Holt was at her home here on Sunday from Gorham State College.

Mr. and Mrs. Leonas Holt, David and Ann, and Mrs. Clyde Morgan went to Bangor on Friday and attended the wedding of JeriAnn Miles to Robert H. Holt. Ann was one of the bridesmaids and David was best man to his brother. The marriage took place at the First Methodist Church in Brewer February 3, 1968.

The ice fishermen have taken advantage of the warmer weather to do some fishing on the ponds here.

SUNDAY RIVER

Mrs. E. M. Fleet, Corres.

Romeo Baker and son, Randy, spent the week with us from Plainfield, N. J. They called on relatives and friends as well as skilled some.

Tuesday evening, Romeo Baker, had as supper guests his mother, Mrs. Baker, two sisters, Mrs. Laura Bennett, Mr. and Mrs. Angelo Onofrio, all of Bethel.

Well, more wild life has appeared for food. Mr. and Mrs. Angelo Onofrio tell us that one partridge has been coming for food for some time, but now when all is quiet there are six that appear for food before retiring each afternoon.

The weather sure gave the groundhog a good bath but no sun to dry his coat as it rained all day.

We have another year and the month of birthdays. There are three in this family and several more on the river. I had thought I was getting too old to write good news but the past few months I have received some good sounding compliments thanks to the readers from here to half way around the world. So 17 will be turned around for me this week.

GIRL SCOUTS

Before placing the crown on Wendy's head, Mr. Churchill told the guests that this was a very special honor being bestowed as she would be the last Andover High School Carnival Queen. Next year the Andover students will be transported to the SAD 44 Telstar Regional High School in Bethel. Amid a burst of applause, Wendy became Queen 1968.

The group led the grand march accompanied by the "The Young Americans".

Later in the evening Mr. Churchill presented the awards and ribbons to winners of the events held the past three days.

The Congregational Ladies Aid met with Mrs. Ralph Hewey with 12 members and Rev. Carl Kingsbury on Feb. 1. It was noted that

The Calvary Congregational Church held a supper recently followed by a quarterly meeting. There were seven in attendance. Rev. Nathaniel Pearson was moderator. Reports were read and approved. Discussed calling on the ill and shut-ins on the first and third Sunday evenings of the month and the fourth Sunday would be Praise Service. There is a need for a neighborhood Bible Study and it was hoped that the four weeks during Lent arrangements could be made in different homes.

The Youth Program was discussed. There are five well organized activities planned between now and June for 7th Graders and up. The two oldest Sunday School classes will have charge of the Easter Sunrise service. There will be Easter caroling in the evening.

G.I. INSURANCE HOLDERS

URGED TO KEEP

BENEFICIARIES UP-TO-DATE

Of more than 133,000 Maine veterans a large percentage carry GI insurance. Hundreds of these are neglecting to keep up to date their listing of a beneficiary for their policy proceeds.

Because of this the insurance proceeds may not be paid to the individual nor in the manner the veterans would wish.

A divorced wife or wealthy parent may take precedence over a present wife or children since the VA must pay the proceeds of the insurance policy to the beneficiary designated by the veteran himself.

A recent sampling in which a group of veterans were asked if they wished to change the beneficiary brought six out of ten affirmative replies.

Necessary forms for these changes may be obtained from the VA Contact Division, VA Center, Togus, the VA office, 76 Pearl Street, Portland, Maine, or by writing directly to the VA insurance office where the veteran pays his premiums.

Spring graduation exercises at the Portland campus of the University of Maine will be held Saturday, June 8, at 2:30 p. m. The ceremony will be held outdoors near Payson Smith Hall. Spring commencement exercises at the Orono campus will take place Friday, June 7.

COUNTY REPUBLICANS TO HOLD MINI CONVENTION NEXT MONDAY EVENING

Oxford County Republicans, planning next Monday's presidential primary convention, have announced a complete list of their guests of honor for the Lincoln Day spectacular along with the names of people who will nominate candidates. The convention will open at 7:30 p. m. at the Association Hall in South Paris.

State GOP committee Chairman Cyril Joly of Waterville leads the guest list and is slated to deliver the keynote address following the night's formalities and the installation of a chairman.

National Republican Committee members David Nichols of Lincolnville and Mrs. Miriam F. Brown of Augusta are also slated to be on hand, along with Maine Senate President Joseph Campbell, Secretary of State Joseph Edgar and Mrs. Charles Peters, vice chairman of the state committee.

Rep. Peter Snow of Auburn will attend the session, with Republican county chairmen, from Androscoggin, York and Cumberland counties promising to be on hand.

Co-chairmen of the event, Tom Taylor of Lovell and Fred E. Hanson of Rumford announced earlier this week that National Republican Committee Chairman Ray Bliss had declined an invitation to attend.

Nominating the candidates for the convention balloting will be State Rep. Lowell Henley of Norway, Roland L. Sutton Jr. of South Paris, Dr. Karl Kraske of Rumford, and Belmont House of Woodstock.

Rep. Henley will nominate California Governor Ronald Reagan first because of the alphabetical order of the towns. Mr. Sutton will then put former Vice President Nixon's name in nomination, followed by Dr. Kraske with Gov. Romney. New York Governor Nelson Rockefeller will round out the four considered as top Republican presidential hopefuls.

Whether the mini-convention planners have left the door open for a few darkhorse candidates is not clear, but with delegates from 33 towns due on the floor, the chances of a favorite son getting a nod is possible.

David Olson, West Paris, visited with relatives in town over the week end. He has just returned from Germany and is spending 45 days at his home. On Feb. 17, he will leave for Viet Nam for further duty.
